November 2021

The “#EUandYOU – Together it’s possible” campaign was launched mid-November across the Western Balkan region. The campaign aims to raise awareness about the themes and flagship projects that are part of the EU Economic and Investment Plan (EIP) for the region. This is the second [regional communication campaign](#) under the EU Regional Communication Programme for the Western Balkans – [WeBalkans.eu](#).

The EIP puts forward almost €30 billion of funding and investments in the areas of green and digital transitions, connectivity and growth. This unprecedented support aims to help the region emerge stronger from the pandemic, unlock opportunities for future growth, and bring the region closer to the EU.

Highlights of the campaign can be found in [this article](#) and you can follow the campaign on WeBalkans [Facebook](#), [Twitter](#) and [Instagram](#) and on the campaign [landing page](#).

#YEStoYEA

Welcome to the YEA Network

Congratulations to the new Young European Ambassadors!

New generation of Young European Ambassadors announced

The selection of new Young European Ambassadors (YEA) generation was announced earlier in November in an [online event](#) hosted by the European Commission and the WeBalkans team. An expert jury made up of well-known leaders from the region announced the 60 winners who will join the YEA network.

The selected YEAs bring a diverse mix of skills and passions to the network. While coming from a variety of backgrounds, all share an interest in learning about EU values, connecting with their peers, and pursuing their talents. Most importantly, they are open to sharing ideas and inspiring change in their communities, the Western Balkan region, and across the EU.
