#EUandYOU

Our Young European Ambassadors embarked on many different [cultural activities](#) over the summer organised around International Youth Day. We, together with our YEAs, want to use every chance to raise awareness of the need to ensure engagement and participation of youth as a tool for empowering them as future changemakers.

Elsewhere on WeBalkans we put the spotlight on the European Union's interventions in educating children about [healthy food](#), obtaining life skills by spending more time doing [outdoor activities](#), as well as engaging in human rights for the [wellbeing of the society](#).

Happy reading! The WeBalkans.eu team.
