#EUandYOU

This month the European Commission adopted its [2022 Enlargement Package](#) assessing the progress made by the Western Balkans on their respective paths towards the European Union.

The “Enlargement Package” – a set of documents explaining its policy on EU enlargement provides focus on implementing fundamental reforms, as well as clear guidance on the reform priorities ahead. These assessments are accompanied by recommendations and guidance on the reform priorities. For Bosnia and Herzegovina, it recommends granting the status of candidate country.
